

WELCOME TO HARJU MANOR!

The 200 years old manor house Harjun Hovi with its wide estate awaits you! Whether you are planning a business event or a family gathering, we have the facilities for you.

Up to date modern technology, varied spaces and beautiful surroundings combine for a unique and functional experience.

The Harju estate offers a variety of architectural styles as well as parks and garden areas. Follow the Salpa Line hiking trail to find out more about Finnish war history or visit Kiessi, our museum of horse-drawn vehicles. We are also home to Harju vocational college. Dating back to 1889, it is a private, educational institute of natural resources.
